

**Pioneer Elementary is a school-wide Title 1 School.** Title Funding helps to provide schools with higher percentages of children from lower income families with funds to help ensure that these students are receiving the same quality education as all students, helping them to meet challenging state academic standards. This means Pioneer Elementary receives federal funds to provide extra support to our struggling students in reading and math.

Advantages of being a Title 1 School:

- The money received helps provide additional reading and math support to students in our school.
- It is used for teachers, tutors, after school programs, books, supplies, materials, and family learning events.
- It provides opportunities for parents to receive training/support to help their child in school.

Ways you can help:

- Fill out the [free and reduced lunch application](#) if you think your family may qualify. Apply now or during the school year if your family finances change.
- Attend parent information sessions/family learning events.
- Volunteer in your child's classroom regularly. Serving to the extent possible on school committees and at school events.
