

K/1st Problem of the Week 2/18/19

Are the handprints on the wall by the cafeteria in rows or in columns?

2nd/3rd Problem of the Week 2/18/19

Other than the handprints on the walls, find something at Pioneer that is displayed horizontally.

4th/5th Problem of the Week 2/18/19

Give at least **two** examples of something you see at Pioneer that is parallel and something that is perpendicular. Be sure to label which are which! Next, find something that intersects but is NOT perpendicular!
