

Parent Drop-Off and Pick Up

Please read and learn Pioneer's parent drop-off procedures. This traffic and safety flow is set by **The Colorado Springs Police Department** and **District 20 Safety and Security**. **Please read through this carefully.** The safety of your children is of utmost importance. Child safety **always** supersedes adult convenience. We know that you may be in a hurry when you drop-off or pick up your child, but please take a few extra minutes to help keep our students safe.

The back bus lot is NOT a part of the pick-up/drop-off line. This lot is CLOSED to everyone but buses from 7:45-8:35 and 2:45-3:30.

- * If parking in the front (east) lot at the end of the day, all cars must wait until 3:30 p.m. to exit so the parent pick-up line can keep moving.
- * Do not stop or park for any reason on Woodland Hills Dr. prior to entering to drop-off/pick up lane. Police will ticket you.
- * Do not stop and park in the drop-off/pick up lane before school releases at 3:15 p.m. Police will ticket you.
- * Do not park in the front or back parking lots between 7:45-8:35 a.m. and 2:45-3:30 p.m. The front lot is open to cars that display a Handicap sign, sticker or license plate at all times.
- * Do not park by a marked red curb or fire lane EVER. Emergency vehicles must always have access to our parking lots and if you park in these areas, they will not have enough turning radius to get in or out of our lot.
- * Teach your children to use the crosswalks and obey the crossing guards. Parents, we need you to cross at the crosswalk too!!
- * Do not create a double lane and expect your child to cross in between cars to get to you.
- * If you cannot find a legal place to park, please park across the street in the neighborhood and walk over using a crosswalk.
- * Please observe the 20 m.p.h. speed limit in front of the school when the school zone lights are flashing; the police give out tickets each year.
- * Do not make U-turns out of the drop and go lane as the police may ticket you for this as well.

Buses park along the entire curb area.
Do not park here.

This lot closed for parking from
7:45-8:35 a.m. and 2:45-3:30 p.m.

NO drop off or pick up in bus parking lot!
